

Reporting and Delivery of Securities Property

Please note: The State of Kansas requires that all security property be reported and delivered in the same asset form as it is held by the rightful owner.

When reporting securities; remember that your report is not complete until you provide evidence of the property being transferred into the ownership of the State. The required evidence depends on the type of security and how it will be delivered to our custodian on behalf of the State. Please see specific instructions below.

Two days prior to delivery, you MUST fax an intent to deliver to our custodian – see instructions below.
